Join by video system, application or Skype for business

Dial [5551234567@webex.com](tel:5551234567@webex.com)
You can also dial 555.123.4.56 and enter your meeting number.

*If you don't have a meeting invite, please contact with the meeting host on 2104142281 or at damlifd@unipi.gr

2. If this is the first time you're joining a Webex meeting, Webex automatically downloads the app.
 - If you don't want to install anything, click **Join from your browser**
 - Click the installer file to install the app.

The screenshot shows a web browser window displaying a Webex meeting page. The page title is "Sales Report Meeting" and it shows the date and time: "Friday, Jul 24 2020 | 11:00 AM - 12:00 PM". The main heading is "Open Cisco Webex Meetings app and start collaborating". Below this, there are two options: "Join from your browser" (highlighted with a blue box) and "Click here to install Webex.exe" (with a blue button). A download progress bar at the bottom shows "Webex.exe" with a size of "0.5/1.2 MB" and "0 seconds left".

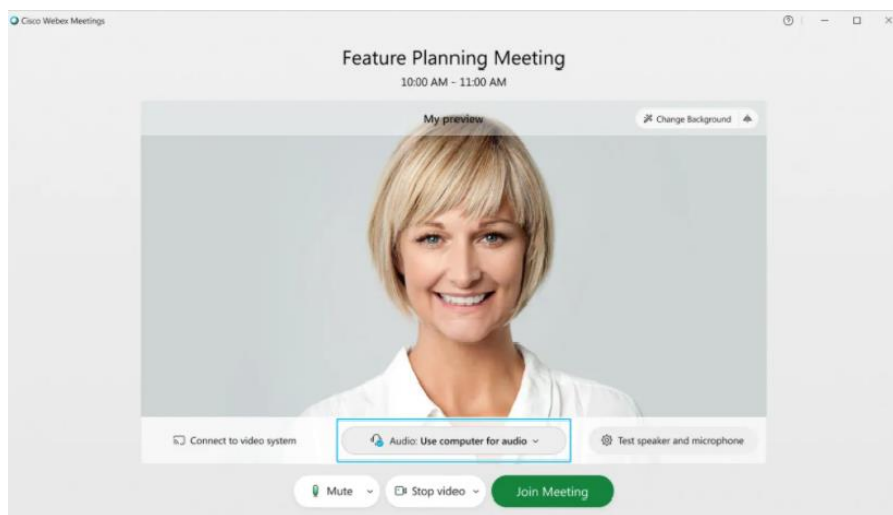

Join your meeting from your web browser.

Install and join your meeting with the desktop app.

3. Enter your name and email address, and click **Next**.

Enter your information

4. In the preview window, you can make sure your audio and video sound and look good before you join the meeting. First, choose how you want to hear.

Please keep your camera and microphone off when entering and during the conference.

In case you want to ask a question to the speaker, you can use the chat of the application.

The session coordinator will collect the audience's questions and at the end of the session, according to the time available, the speakers will answer some of them.

5. Click **Join Meeting**.
